

Riding with the Reduced-Fare TAP Card for Seniors

TAP Cards for Seniors Ages 60 & 61

Reduced-fare TAP cards for seniors ages 60 and 61 entitle you to ride the following transit lines at reduced-fare rates:

- Santa Clarita
- Pasadena*
- Glendale*

*Coming soon to TAP

If you plan to ride other participating lines (e.g. Foothill, Metro, Norwalk, etc...), please remember that senior discounts don't apply until 62 or 65 years of age. In order to ride those lines, you'll need to obtain a "Regular" blue TAP card and have the appropriate full-fare pass loaded onto that card. If you have electronic cash stored on your Senior 60 TAP card, it **can** be used to pay fares on other participating lines, but please note that regular full-fare amounts will be deducted. For more information, please call **1-866-TAPTOGO**.
